

November 2020

To whom it may concern

Dear Sir/Madam

As new lockdown measures are being implemented by the Government, it's important that we continue with the construction of vital healthcare facilities in Leicester and Leicestershire.

To that end, this letter serves to reassure that you are considered a key worker and that your work is essential.

University Hospitals of Leicester NHS Trust appreciates your efforts at this difficult time and will help where we can with any support you may need in carrying out your duties.

Please continue to follow your employers' advice with regards to safe travel and working practices.

Yours faithfully

Nigel Bond

Deputy Director of Estates & Facilities
